

LAYGO COMPATIBLE HEAT EXCHANGER GASKETS

AGC ENGINEERING

Pro3

AGC Engineering's Pro3 model can house compatible heat exchanger gaskets designed and manufactured by Laygo Gaskets.

With more than 35 years of experience, Laygo can guarantee all its customers superior quality and gasket tightness with a 1-year warranty.

In addition to guaranteed superior performance, a preventive maintenance of the exchangers is recommended. Laygo therefore provides a high-quality **technical service** for all its clients in Spain and Portugal.

For more information or to request a personalised quotation, you can **contact** Laygo Gaskets' sales department.
